THE LATYMER SCHOOL

Founded 1624

18th October 2016

Dear Parents and Carers

FUNDING OF THE LATYMER SCHOOL

Can I thank all of those parents who have responded to my letter of the 15th September 2016 and have donated to the appeal. Whilst we have more pledges than normal we still have a long way to go to meet our target.

As you know our immediate fundraising objective is to support the current budget deficit. As detailed in my previous letter, failure to achieve this in the short term will result in the school having to make significant changes in the provision for our students going forward. Therefore, I appeal once again to all parents and carers who currently do not contribute to the Standards Fund to please consider very carefully if you can make a regular voluntary donation to the fund for the remaining time your child is at the school. With the support of all parents and carers I feel sure we can secure the financial support that we need as we work towards making appropriate changes to achieve a balanced budget. Once this has been achieved, the Standards Fund will go back to supporting the development and improvement of the school facilities as before, ensuring that it stays among the very best in the country.

Please find attached the relevant Covenant Form for your child's year group, together with a Gift Aid Declaration, for completion and return to the Campaign Office at the school. Please do not hesitate to contact the Campaign Office on 0208 887 8105 or email campaign@latymer.co.uk should have any queries. You can find further information by visiting [The Latymer Foundation Campaign](#).

Many thanks in anticipation of your assistance and I look forward to hearing from you.

Yours faithfully
